Hi All!

Just to confirm....there WILL be a Beautification Meeting in the Morning, Tomorrow Thursday 7/28, at 9AM at Rockwell. Please decide on a date that works for those willing to volunteer on the Blue Ribbon Project. So far, Clint and Aimee volunteered. it would be great if we had a couple others willing to help! I will not be in attendance tomorrow but agenda has been posted.

Thanks Everyone!

Hi All!

Please see below from Franklin Hills NC, Shirley Mims, about the "Blue Ribbon" project she is asking for the BID's help with. This would need to be done prior to August 2nd. Maybe could be discussed at Beautification committee meeting? Claudia, are you holding meeting as scheduled this Thursday, 7/28? If so, can you forward agenda? Otherwise, everyone please let me know if willing to help and support the Los Feliz neighborhood efforts?

Second, as a reminder, please put on your calendars our next mixer.....Wed, August 24th, from 8 to 10 AM at Covell's Sidebar. Breakfast to be hosted by Home State. Please RSVP to info@losfeliz.biz.

Subject: Blue Ribbons

Dear Chris,

Hope you are enjoying the summer.

Volunteers of the Community Police Advisory Board of the Northeast Division of LAPD are launching a campaign to put up blue ribbons throughout our communities to show support for our peace officers. As officers drive through our neighborhoods and see the blue ribbons they will know that the community appreciates and supports them.

We are looking for more volunteers to help put up the ribbons. Would you be able to drum up a small group of people from the LFVBID to do Vermont Ave.? Two people and one step stool for each side of the street should be all you need. I have a spool of pull-bows to give to you that are really simple and quick to make. There should be enough bows to cover Vermont between Sunset and Los Feliz Blvd's.

Our Senior Lead Officers were polled and let us know which streets are more frequently traveled by their patrol officers. FHRA is putting up bows along main corridors in the Franklin Hills. Other volunteers are doing neighboring communities within the Northeast Division. I will also ask LFIA if they can cover Los Feliz Blvd. It would be great if the LFVBID can do Vermont.

We are trying to get up as many bows as possible by August 2nd, that is the date for National Night Out (NNO). As far as I know our local communities are not planning a NNO event this year. Putting up blue

ribbons is one way we can show our support as we lead up to this date.
Our officers are expressing appreciation for the gesture.

If you can gather a group of people to help put up bows within the next week, I will provide the ribbons and give you any more details that you need.

Thanks so much,
Shirley Mims
